THE GENIUS OF ENTERPRIZE!

AFTER Rome was subjugated by the hordes of northern barbarians in the fifth century, the luminaries of science that has shone with such effulgence upon the Greek-and Romans, were almost extinguished, and for ages the world lay in an interminable night of mental and moral gloom. 'The human intellect seems to have laid dormant during the long and tedious Winter, with no enliveni spring to awaken and revivify is inactive powers. But at length the dawn of a brighter day began to appear, and slowly and majestically arose from that marky chaos, the sun of enlightenment, ordered by Providence to gladden and illuminate the world with his beams.
